

Notes to Contributors

The *TESL Reporter* is a semiannual publication of the Language, Literature, and Communications Division of Brigham Young University–Hawaii, and is dedicated to the dissemination of ideas and issues of interest to teachers of English to speakers of other languages worldwide.

Manuscripts relevant to teaching English as a second/foreign language, bilingual education, intercultural education and communication, and teacher preparation in these areas are welcomed and should be submitted (in duplicate) to the editor. Manuscripts dealing with classroom implications of the above are especially encouraged.

Manuscripts should be typed and double spaced throughout, generally not exceeding fifteen pages. Each manuscript should be accompanied by a cover sheet with the title; author's name, position, and address; and a short (less than 50 words) biodata statement. Identifying information should not appear elsewhere in the manuscript in order to insure an impartial review. Authors are encouraged to follow APA style and review past issues of the *TESL Reporter* for matters of style. Any tables, graphs, or illustrations should be sent in camera-ready form whenever possible.

It is expected that manuscripts submitted to the *TESL Reporter* are neither previously published nor being considered for publication elsewhere. Upon publication, authors will receive six complimentary copies of the issue in which their article is published. Manuscripts are generally not returned to authors. Authors should retain a personal copy.

Reviews of recent textbooks, resource materials, tests, and non-print materials (films, tapes, or computer software) are also invited. Potential reviewers who indicate a particular area of interest to the review editor will be contacted concerning recent titles in that area. Requests for review guidelines should be addressed to the review editor. Authors of published reviews will receive two complimentary copies of the issue in which the review is published.

Advertising information is available upon request from the editor.

Abstracts of articles published in the *TESL Reporter* appear in *Language and Language Behavior Abstracts*.
