ADVANCED LISTENING COMPREHENSION: Developing Listening and Note-Taking Skills

Patricia Dunkel and Frank Pialorsi

A transition program for intermediate to advanced ESL students. Fifteen taped lectures on a variety of topics are accompanied by guided work on note-taking and summarizing. Additional exercises improve listening comprehension and study skills. Lecture scripts and answer key included.

Text \$12.95; Cassettes, set of five, \$59.75; cassettes are also available separately.
Lectures 1-4 \$12.95, 5-7 \$12.95, 8-11 \$12.95, 12-13 \$9.95, 14-15 \$10.95.

LISTENING AND LEARNING: Lectures, Modules I-VII

Lynne Young and Brigid Fitzgerald

At last, an ESP listening program: seven modules each containing two 10- to 15-minute lectures on specific topics, followed by listening activities. The lectures feature authentic spoken discourse. Sample topics include: Engineering, Computer Science, Economics, Commerce, Medicine, Biology, Law. For upper-intermediate to advanced students.

Each module \$5.95, each cassette \$9.95; Teacher's Manual \$3.95.
