Can't Stop Talking

Discussion Problems for Low-Intermediate
and Advanced Beginners

George Rooks

Meeting the specialized conversation needs of the low-level ESL class, *Can't Stop Talking* provides 24 stimulating topics for discussion. Each of the units presents:

- a select vocabulary
- a short reading passage
- topics for class discussion
- exercises

Ranging from light-hearted to serious situations, the array of conversation topics encourages students to talk about and explore their beliefs and convictions.
