

## Last Chance to Renew your *TESL Reporter* Subscription

If you have not done so already, you probably need to renew your *TESL Reporter* subscription. To find out, check your mailing label.

If your mailing label is computer printed and correct, you can relax. You are on our new list and will continue to receive issues of the *TESL Reporter*.

If it is computer printed but contains an error, please notify us by using the form below.

If your label is one of the old typewritten ones, you should act now or you will miss future issues of the *TESL Reporter*. Fill out the form below and return it as soon as possible.

Starting with volume 20 (our next issue), the *TESL Reporter* will not be sent to those who have not renewed their subscriptions. Don't delay!
