Erratum

The article by Hūfanga 'Okusitino Mahina, entitled *Tā, Vā, and Manoa: Temporality, Spatiality, and Indigeneity*, that appears in the August/December 2010 issue of *Pacific Studies* contained an error. On page 185, in the third paragraph, the third sentence should have read: "By intrinsic qualities, reference is made to such qualities as *tatau* (symmetry), *potupotutatau* (harmony), and *malie* (beauty) internal to art. On the other hand, the extrinsic qualities are *mafana* (warmth), *vela* (fieriness), and *tauelangi* (climaxed elation)."
