“Books Noted” is a new section starting in this issue. It is designed to acquaint scholars and others with the most significant new Pacific Islands publications that are accessible through major libraries and institutions, selected for their interest to readers of *Pacific Studies*. The list for this issue was produced from acquisitions lists of Pacific Islands materials from the University of Hawaii at Manoa, Brigham Young University--Hawaii, and the Bernice P. Bishop Museum for 1988 and early 1989. Other libraries are invited to submit current acquisitions lists for future installments. Contributions and queries should be addressed to the Books Noted Editor, Riley Moffat, Joseph F. Smith Library, Box 1966, Brigham Young University--Hawaii, Laie, Hawaii 96762.

Following library conventions, this short list includes only the primary author in cases of multiple authorship and is alphabetized by title in cases of an edited or compiled work.
